'KAHIT PAULIT-ULIT NA SILANG PINAGLOLOLOKO, OKAY LANG SA KANILA'

Binatikos ni dating senador Sonny Trillanes ang mga tagasuporta ni dating pangulong Rodrigo Duterte na patuloy na naniniwala sa fake news.

Kasunod ito ng pagpuna ng International Criminal Court (ICC) Trial Chamber III sa paglaganap ng fake news tungkol sa kaso ni Duterte.

Kabilang dito ang paulit-ulit umanong pekeng balitang nakalaya na raw ang dating pangulo.

"Parang mesmerized pa rin sila, or na-hypnotize ang status nila," ayon kay Trillanes.

'IT'S THE BEGINNING OF THE END OF THE DUTERTE ERA'

NEWS UPDATE. Former senator Antonio Trillanes IV said the Duterte era may be nearing its end, citing ongoing developments involving the Duterte family and the political challenges they currently face.

In an interview on The Lovely Show aired on June 22, Trillanes said, “It's the beginning of the end of the Duterte Era. Pagka di ito natuldukan with finality, baka ma-resurrect,” Trillanes said.

Trillanes also expressed alarm over the prospect of a Sara Duterte presidency.

“Talagang nakakatakot yung Sara Duterte presidency. Ako natatakot in the sense na gigibain niya ang ating demokrasya at maraming papatayin itong mga taong ito kasi mga bayolenteng pamilya ito," he added.

🌧️ Potential Tropical Development to Watch In the Philippine Sea

We're keeping a close eye on a developing area of disturbed weather over the Philippine Sea that could become the next named storm in the PAR, potentially receiving the name Henry over the weekend into early next week.

Satellite imagery is already showing increasing thunderstorm activity east of the Philippines, and several forecast models continue to suggest development as the system moves westward. While there is still uncertainty regarding how strong it may become, confidence is growing that it could at least develop into a low pressure area or tropical depression by Tuesday into Wednesday.

The biggest concern right now is heavy rainfall, not necessarily strong winds. Current guidance indicates increasing showers and thunderstorms across parts of the Visayas, Bicol Region, and eventually portions of Luzon, including Metro Manila. Localized flooding and poor visibility during heavier downpours may become an issue if the system organizes.

Not all forecast models agree on the strength of development, so it is still too early to determine exact impacts. However, the overall environment is becoming more favorable for tropical activity as we move into a more active pattern across the Western Pacific.

For now, this is a monitor closely situation. If model trends continue, we could be tracking Henry across the Philippines during the middle of next week.

As always, continue following updates from PAGASA and other official agencies, and we'll keep you posted here at WestPacWx as the forecast evolves.

RETURN OF 'RATSADA' IN GMA WESTERN VISAYAS

GMA Network announced a rebrand of its regional newscast in Western Visayas.

Starting Monday, June 29, GMA Regional TV One Western Visayas will go on air as "Ratsada Balita," a callback to its original title "Ratsada."

The change was teased yesterday, highlighted by the line "Magaratsada na!"

Ratsada was GMA Iloilo's regional newscast from 1999 to 2015. After the 24 Oras brand standardization implemented across GMA regional newsrooms in 2014, the Western Visayas newscast was retitled Ratsada 24 Oras in 2015. It is known by its current name since 2018.

The change is the latest in the sweeping changes in the Kamuning newsroom following leadership changes.

Sinabi ni dating Senador Antonio Trillanes IV na tila nananatiling “mesmerized” o “hypnotized” ang ilang tagasuporta ni dating Pangulong Rodrigo Duterte sa kabila umano ng mga lumalabas na maling impormasyon.

Ayon kay Trillanes, may pagkakaiba umano ang fake news mula sa magkabilang panig, pero iginiit niyang ang nasa kampo raw ni Duterte ay “deliberate” ang pagpapakalat.

Aniya, nararamdaman na rin umano ng International Criminal Court (ICC) ang epekto ng umano’y misinformation kaugnay ng kaso ni Duterte. | via #SaTotooLang

'GANYAN SI CAYETANO'

Nagpaalala si dating senador Sonny Trillanes na hindi dapat i-underestimate si Senate Minority Leader Alan Peter Cayetano.

Ayon kay Trillanes sa “Sa Totoo Lang” ng One PH, kailangan pa ring magbantay ang Senate majority senators dahil hindi umano nauubusan ng gimik si Cayetano upang gumawa ng gulo at eksena, maging ang pigilan ang impeachment trial ni Vice Pres. Sara Duterte.

“Kita niyo ‘yung ginawa niyang gimik na gumawa sila ng shooting incident doon sa Senado at kine-claim niya… na sinugod daw ‘yung Senado,” sabi ni Trillanes.

“He will try to gaslight everybody still. Tayo, hindi natin naisip ‘yung mga ganoong eskandalo na gagamitin niya to protect his interests.”

During Bobet's funeral procession on June 24, 2026, a flag bearer caught the attention of many. He was not just an ordinary flag bearer, as the vehicle carrying Bobet moved along, he continued jogging alongside it.

According to a post on his social media account, "Kinasingkasing jud akong pag-adto sa Talacogon, dala nako akong flag. Gusto ko maghatag og Tribute Run, dala nako ang flag, bahala ako ra usa."
Tagalog translation: "Buong puso akong pumunta sa Talacogon, dala ko ang aking bandila. Gusto kong magbigay ng isang Tribute Run habang dala ang bandila, kahit ako lang mag-isa."

He added, "Sa mga nag-ask kung nagpaalam ba daw ko sa pamilya ug konektado ba daw to sa Talacogon, dili to konektado sa LGU ug wala ko nananghid. Dili man ko makaduol sa pamilya, maulaw pud ko. Ordinaryong tawo ra pud baya ko."
Tagalog translation: "Sa mga nagtatanong kung nagpaalam ba ako sa pamilya at kung konektado ba iyon sa Talacogon, hindi po iyon konektado sa LGU at hindi rin ako nakapagpaalam sa pamilya. Hindi rin naman ako makalapit sa kanila dahil nahihiya ako. Isa lamang akong ordinaryong tao."

2026-06-26 10:13:58

o do it, but his gesture earned the respect and salute of many. What he did was not just a tribute run, it also symbolized the sympathy and condolences of many Filipinos over the loss of Bobet.

Jay Tarriela

Four posts in three minutes (6:15-6:17) — ... more

Chinese Embassy Manila
3h ·

Jay Tarriela is deliberately stoking nationalist sentiment to fuel hatred and confrontation, manipulating public opinion in an attempt to drive a wedge between the Chinese and Filipino peoples.

It is like constantly fanning sparks beside a pile of dry firewood—sooner or later, someone hopes a blaze will erupt. Such inflammatory rhetoric from Jay Tarriela and his alike has been one of the main reasons China-Philippines relations have faced repeated difficulties in recent years.

Fortunately, more and more Filipinos can see through this tactic. What ordinary people truly want is a stable relationship that brings peace, development, and opportunities—not endless political theater built on fear and manufactured confrontation.

——Deputy Spokesperson of the Chinese Embassy Guo Wei

Chinese Embassy Manila
3h ·

Time and again, Jay Tarriela and those who share his approach launch baseless accusations and spread disinformation under the banner of "free speech," only to portray themselves as victims after provoking controversy.

The facts speak for themselves: China has never initiated verbal attacks against the Philippines. Statements issued by the Chinese Embassy are responses made only after China has been misrepresented or falsely accused, with the purpose of clarifying facts and correcting misinformation.

The Embassy serves as a bridge advancing China-Philippines friendship and cooperation, as well as a bastion safeguarding national interests and dignity. Setting the record straight when smeared is the bounden duty of any diplomatic mission, not provocation.

——Deputy Spokesperson of the Chinese Embassy Guo Wei

FOREIGN EMBASSIES IN BEIJING CANNOT MAKE POSTS LIKE THESE

Chinese Embassy Manila
3h ·

Jay Tarriela and his alike believe they are free to smear, distort, and accuse China whenever they wish, yet the moment China is forced to respond with facts, they cry "interference," "disrespect," or "violation of sovereignty." It is like someone throwing mud at another person but becoming outraged the moment the other side washes it off.

By that logic, one side may attack while the other must remain silent. That is not a principle—it is simply an unreasonable demand.

If Jay Tarriela has the freedom to express his views, the Chinese Embassy has the equal right to defend itself with facts. No fair-minded person would accept the absurd notion that "I can attack you, but you are not allowed to answer back."

——Deputy Spokesperson of the Chinese Embassy Guo Wei

Chinese Embassy Manila
3h ·

Sending diplomatic notes, publishing statements, or talking to media are standard practices to elaborate official positions of a country observed by embassies and consulates around the world. Philippine Embassy and Consulates in China do the same. It is called diplomacy.

Attempting to portray the Chinese Embassy's public announcement of facts and positions as trampling Philippine sovereignty is either a ridiculous ignorance of basic diplomatic norms, or a malicious plot to sabotage bilateral relations. Disagreements over maritime claims do not strip either side of the right to voice its stance openly.

Brad Bird says Ratatouille 2 won't happen.

Director Brad Bird revealed that Pixar has occasionally hinted at the idea of making Ratatouille 2, but he has no interest in continuing the story.

"Pixar has made little feints towards that to see how I would react. They'll crack a joke, but the joke will be a bit serious, like, 'Would you?' And I'm like, 'No, we told that story.'"

According to Bird, the story of Remy was already completed in the original film, and he doesn't feel a sequel is necessary. For now, it looks like Ratatouille 2 is not happening.

FRIDAY MORNING
Prayer
TO THE
SACRED HEART OF JESUS
JUNE 26, 2026
Most Sacred Heart of Jesus,
fountain of every blessing,
I love You, I adore You,
and I place my trust in You.
On this Friday morning,
I offer You my prayers,
my works, my joys and sorrows.
Unite them with Your perfect
sacrifice on the Cross for the
salvation of souls and the glory
of the Father.
Fill my heart with Your love,
that I may be gentle, patient
and merciful to all.
Help me to walk in Your ways
and to do Your Holy Will.
Sacred Heart of Jesus,
have mercy on me and on the world.
May Your Kingdom come in our hearts
and in every home.
I consecrate to You this day,
my life and all that I have.
Amen.
SACRED HEART OF JESUS,
I trust in You!
"Behold this Heart which has so loved men, and in return receives from the greater part of them nothing but ingratitude."

REINSTALLED AGUINALDO STATUE

LOOK: The National Historical Commission of the Philippines (NHCP) and the City Government of Bacoor on Tuesday, June 23, led the unveiling of the newly relocated monument of General Emilio Aguinaldo.

According to NHCP, the monument was first erected in 1997 at the Bacoor exit of the then-called Coastal Road, but had to be relocated to the General Emilio Aguinaldo National High School in Imus City after the road's expansion into what is now known as the Manila-Cavite Expressway (CAVITEX).

A young Paraguayan influencer suddenly became a global spotlight because of the World Cup.

Naiel Aguilera, full name Daniela Naiel Aguilera Fischer, is a young Paraguayan model and influencer who suddenly became a global phenomenon at the 2026 World Cup. She didn't come to the stadium looking for fame at all, she just wanted to support the Paraguay national team like any regular fan, took some photos in her Albirroja jersey, and posted them on social media. Within hours, her photos spread worldwide and a lot of people couldn't even believe they were real because she looked so flawlessly beautiful that many thought it was AI-generated.

After going viral, major fashion brands and advertising agencies started reaching out with professional contract offers almost immediately. And the most iconic part of all this? Paraguay won 1-0 against Turkey in that match, and Naiel herself told the media that Turkey brought her good luck.

In the social media era, one moment in the stands can literally change someone's life overnight. Naiel didn't spend years building a personal brand, she just showed up, stayed authentic, and the world came to her. Some call it luck, but maybe it's proof that being genuinely yourself will always attract more attention than anything else

SEN. KIKO PANGILINAN
One of the authors of the Juvenile Justice and Welfare Act of 2006.
May pananagutan ang mga menor de edad na nasasangkot sa krimen. May pananagutan. May proseso. May mga intervention upang matiyak na hindi na ito mauulit. May pananagutan din ang mga magulang... Iligal ang pakawalan ang menor de edad na nasasangkot sa krimen at may parusa sa mga gagawa nito.
MALACAÑANG
Open to discussing the possibility of lowering the age of criminal liability.
Wala pa pong napag-uusapan tungkol sa edad, pero ang sabi nga natin, kung anuman ang maibibigay na version ng Kongreso, titingnan po 'yan ng Pangulo...Pero sa ating pagkakaalam, yes, open ang Pangulo kung mabababa man ang edad po.
SEN. ROBIN PADILLA
Proposes to lower the age of criminal liability
Kailangan nating tulungan 'yung ating mga kabataan na huwag mapunta sa ganitong mga klaseng karumal-dumal na krimen... Sa ibang bansa, 10 eh... Kailangan din namin mag-usap. Hindi naman puwedeng ako ang masunod. Kung papasa sa 12, okay na ako diyan.

PNP

Proposes to lower the age of criminal liability

The PNP is supporting the lowering of the age of criminal responsibility. We are thinking 12 years old.

Medyo nagkakaproblema na po tayo. We studied 'yung data, 'yung statistics natin, medyo tumataas 'yung mga nai-involve na CICL. Kaya po sa amin, titingnan din po naman if they acted with discernment. Titingnan pa rin naman po kung alam nila ang kanilang ginagawa.

REX GATCHALIAN

DSWD Secretary

Marami kasing nagsasabi na baka hindi maparusahan ang dapat maparusahan — quite the contrary. Nakalagay sa batas na kapag 15 years old ka pero below 18 years old—so, 15 to below 18—maaaring magkaroon ng criminal liability, lalo na kung may discernment. Ibig sabihin, alam ng bata na mali ang ginagawa niya at alam niyang may consequences ito. Kaya sasampahan siya ng kaso sa korte. Ide-determine ng korte ang discernment ng bata, at kung mapatutunayang mayroon siyang discernment at alam niya ang ginagawa niya.

Hindi sila [CICLs] maiiwan sa kanilang mga komunidad. Kukunin namin sila. When I say kukunin, ibibigay sila sa amin ng korte whether involuntary or kung 'yung mga magulang nila, voluntary na isu-surrender sa atin or kung 'yung recommendation ng local social welfare. In both cases, mawawala sila sa komunidad nila. Ilalagay sila sa Bahay Pag-asa o Rehabilitation Center for the Youth kung saan dadaan sila sa masusing intervention o diversion plan kung tawagin para masigurado natin na angkop 'yung intervention.

SENATE PRESIDENT WIN GATCHALIAN

Believes that CICL, including those below 15 years old, can be reformed through proper rehabilitation and guidance.

Base sa aking karanasan bilang mayor ng Valenzuela, kung maganda ang pasilidad, ang bata, 'yung tinatawag nating CICL, children in conflict with the law, nare-reporma siya. Bumabalik siya sa ating lipunan nang maayos at maganda ang kaniyang pakikitungo. Kaya importante na mabigyan siya ng pagkakataon mareporma.

Gusto ko lang idiin na hindi totoo na 'yung mga batang below 15 ay papakawalan. Sila ay papasok sa Bahay Pagasa para mareporma, magabayan nang mabuti at mabigyan ng tamang edukasyon para mareporma 'yung kaniyang hindi magagandang asal.

Malaking debate 'yan, 'yung lowering the age of criminal liability. Magandang mapag-usapan 'yan.

REP. ROMAN ROMULO

Chairperson of the House Committee on Basic Education and Culture, believes DepEd should play a role.

Tama naman si Sen. Win, dapat pag-aralan 'yung sa criminal liability. Ang paniniwala ko diyan, kahit wala namang batas, kaya na ng DepEd gawin 'yan kung kinakailangan as much as possible. Pero madagdag lang, kailangan natin talaga moving forward siguraduhin na yung mental health ng ating mga kabataan, teaching at non-teaching [staff], mapangalagaan. Kailangan po talaga may nagbibigay ng tamang gabay. Ang kailangan po talaga mas maging proactive ang mga DepEd SDOs natin.

REP. RENEE CO

Kabataan Partylist Representative, the priority should be on rehabilitation, reintegration, and restorative justice.

Pareho 'yung ating paninindigan noon at hanggang ngayon, hindi tayo payag sa pag-lower ng minimum age of criminal responsibility. Sang-ayon tayo roon sa framework ng bill na kapag may nasa menor de edad, hindi pa well-developed 'yung brain, 'yung sense of values and morals, kaya ang priority ay rehabilitation, reintegration, restorative justice.

prominent human rights lawyer, believes the public should examine the root causes of the problem.

Sa gitna ng trahedyang ito, nauunawaan natin ang galit ng taumbayan at ang panawagan para repasuhin ang Juvenile Justice Law. Nais kong linawin na sa kasalukuyang batas, may mekanismo na para panagutin at i-rehabilitate ang mga menor de edad, habang may pananagutan din ang mga magulang.

Tandaan natin: Ang sagot sa karahasan ay hindi karahasan. Kailangan nating tugunan ang mga ugat ng problema—mula sa mga pagkukulang sa tahanan, paaralan, at online spaces, hanggang sa mga butas sa regulasyon ng baril at sa pagpapatupad nito.

Ide-determine ng korte ang discernment ng bata, at kung mapatutunayang mayroon siyang discernment at alam niya ang ginagawa niya.
Hindi sila [CICLs] maiiwan sa kanilang mga komunidad. Kukunin namin sila. When I say kukunin, ibibigay sila sa amin ng korte whether involuntary or kung 'yung mga magulang nila, voluntary na isu-surrender sa atin or kung 'yung recommendation ng local social welfare. In both cases, mawawala sila sa komunidad nila. Ilalagay sila sa Bahay Pag-asa o Rehabilitation Center for the Youth kung saan dadaan sila sa masusing intervention o diversion plan kung tawagin para masigurado natin na angkop 'yung intervention.

This clip from a netizen shows a beautiful side effect of the cellphone ban at Dumanjug National High School in Dumanjug, Cebu. Instead of being glued to their screens, students are back outside, playing, laughing, and engaging in real face-to-face conversations.

It's a nostalgic reminder of what school breaks used to look like before smartphones took over. Maybe a little less screen time is exactly what the younger generation needs right now.

'LET'S BE KIND ON SOCIAL MEDIA'

Cebu Governor Pamela Baricuatro called on parents across the province to closely monitor their children's social media usage and online activities.

The governor issued this reminder following recent violent incidents nationwide involving minors, notably the school shooting in Tacloban City where investigators are looking into bullying and family issues as potential motives.

"Let's watch over our children, especially on social media now. The atmosphere is very angry, especially with the presence of trolls. It is creating an atmosphere of animosity," Baricuatro said. "Let's be kind on social media. Influence people not to promote trolling because it promotes anger." | via ANV

Robin Padilla, who was given mercy, now wants children denied mercy.

Robin Padilla, once convicted for illegal possession of firearms, now speaks as if punishment is purity.

Robin Padilla, restored by an absolute pardon, now forgets that his own political life is built on the very idea he denies the young: that people can be more than their worst mistake.

Robin Padilla wants the State to look at a child and see a criminal. But when the State looked at Bato dela Rosa, 64 years old, wanted over a drug war where even innocent children died, Robin saw a man worth shielding.

Robin Padilla wants ten-year-olds dragged closer to prison, but helped an old general move farther from accountability.

Robin Padilla wants children tried by the full weight of the law, yet supports a former president who admitted he once shot a fellow student on campus in 1972.

2026-06-26 10:49:13

Robin Padilla calls this justice. No. This is not justice. This is hierarchy with a costume: iron fists for poor children, velvet gloves for powerful friends.

Robin Padilla knows the sweetness of a second chance. He tasted pardon, restoration, reinvention, respectability. Then he climbed the Senate floor, wiped his mouth, and asked why children should be served the stone he was spared.

That is the scandal.

Not that Robin Padilla believes in punishment.

But that Robin Padilla believes redemption is for Robin Padilla.

A man seen in a viral video allegedly assaulting passengers inside a jeepney in Muntinlupa City has been arrested by police.

According to multiple reports, the incident happened after the man boarded a public utility vehicle that had left South Station in Alabang. During the commotion, several commuters were reportedly placed in danger, including senior citizens who tried to protect other passengers. One elderly passenger was brought to the hospital for treatment.

Local officials confirmed that the suspect was later arrested in Barangay Alabang after a follow-up police operation. Authorities said complaints for physical injuries are being prepared, while police continue to investigate the full sequence of events and the possible involvement of other individuals before the incident escalated.

While many people online reacted strongly to the video, the public is reminded to avoid spreading insults or unverified claims. The case should go through proper investigation, and the victims deserve justice, assistance, and protection.

This incident is a reminder that safety in public transport matters to everyone. Every passenger deserves to travel without fear. Sa ganitong panahon, mahalaga ang alerto, malasakit, at mabilis na aksyon—because one dangerous moment inside a jeepney can affect innocent people just trying to go home.

Sino ba ang 'di nakakakilala kay Linda Walker?! Ang nakuha lang naman niyang score sa kanilang mock exam, 719. Dahil sa taas ng score, aba't umingay ang pangalan niya sa social media.

Pero 'wag ka, karakter lang siya sa isang Chinese drama! Itong nakilala ng #GoodNews, kakabugin si Linda Walker, at sa real life siya umeeksena.

Ang kanyang score kasi sa NMAT o National Medical Admission Test, perfect—800/800!

Kilalanin si Queenie ng Dumaguete City sa #GoodNews ngayong Sabado, 9 PM sa GTV!

Let us all remember that back in 2019, a 3-year-old girl was shot in the head by a police officer, and Sen. Bato trivialized the murder as "shit happens".

The DDS then, instead of mourning the death of an innocent child, they justified the operation, and defended the senator's abhorrent statement.

The DDS do not refer to these children as innocent they call them collateral damages as if they were not people nor children

So, does the DDS care about children and gun violence? If it benefits the Duterte family, yes, and if it does not then no. That is because the political rationale of these fanatics are not based on critical thinking but the needs of their political cult.

'TAMA NA'

Humingi ng paumanhin si PTV-4 General Manager Lino Cayetano para sa kaniyang kapatid na si Senate Minority Leader Alan Peter Cayetano.

Kaugnay ito ng akusasyon ng senador na kumukuha ng tagubilin ang civic leader na si Kiko Aquino-Dee mula sa administrasyon.

"Today is not only the death anniversary of PNoy, but also that of our dad. Perhaps this is a good day for prayer, reflection, and quiet remembrance for honoring those we have all lost," ayon kay Lino.

NANG-STALK KAY JUNGKOOK?

Sinentensyahan ng isang taong pagkakakulong ng South Korean court ang isang babaeng Brazilian na nang-stalk kay BTS Jungkook sa bahay nito.

Batay sa reports ng BBC at The Korea Times, hinatulang guilty ang babae sa paglabag sa anti-stalking law ng bansa at trespassing.

Unang nagtungo ang babae sa tirahan ng K-pop icon sa Seoul Disyembre noong nakaraang taon. Matapos nito, nasa 21 beses siyang nagpunta sa property hanggang December 28. Nag-doorbell siya nang 133 beses at pumasok sa property noong December 14 matapos maiwang bukas ng food delivery worker ang side gate.

Bagaman inaresto, pinakawalan, at sinabihang huwag nang magtungo sa property ng K-pop idol, patuloy umanong nang-stalk ang babae sa mga sumunod na linggo. I via Philstar Life

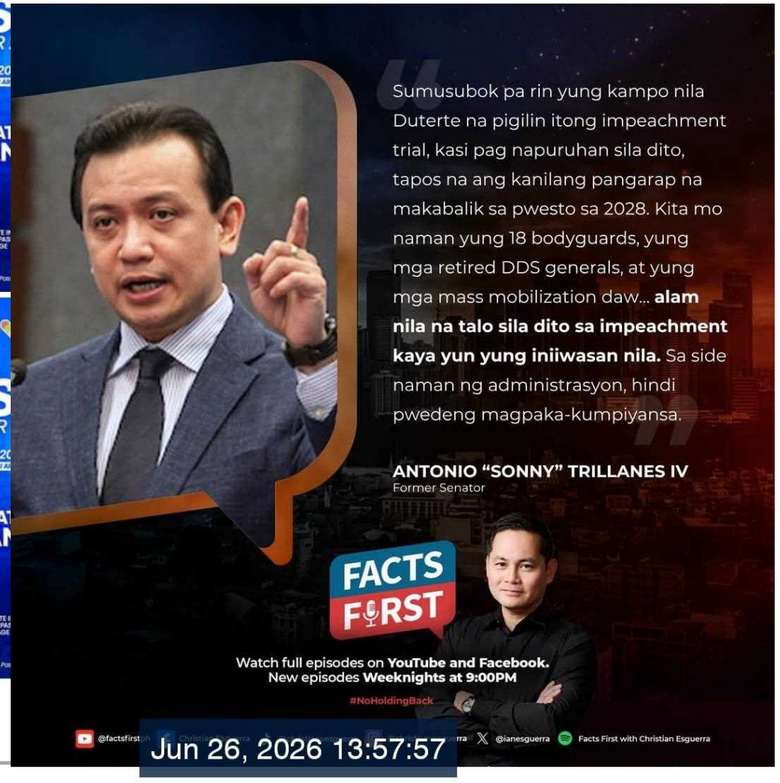
Trillanes: "Alam nila talo sila dito sa impeachment..."



Sumusubok pa rin yung kampo nila Duterte na pigilin itong impeachment trial, kasi pag napuruhan sila dito, tapos na ang kanilang pangarap na makabalik sa pwesto sa 2028. Kita mo naman yung 18 bodyguards, yung mga retired DDS generals, at yung mga mass mobilization daw... alam nila na talo sila dito sa impeachment kaya yun yung iniiwasan nila. Sa side naman ng administrasyon, hindi pwedeng magpaka-kumpiyansa.
ANTONIO "SONNY" TRILLANES IV
Former Senator

"Gayahin nyo si LANS, karespe-respeto"
maging ako po mismo ay hindi rin nakaligtas sa pambabastos, tapos sasabihin ng iba yan sa ibang babae? wala rin pong sense.
hindi ko po ma-consider na achievement yung pagtaas ng followers kung may mga kababaihan naman pong ibinababa para lang may maitaas.
hindi po ako masaya na may mga kapwa babae na bina-bash, kinukumpara, o minamaliit gamit ang pangalan ko.
Women do not have to fit one image to deserve respect. Hindi kailangang educational creator ka, mahinhin, conservative, o tahimik para masabing "worthy" kang respetuhin. A woman can be confident, expressive, feminine, strong, matalino, creative, o simply comfortable being herself by posting photos, dressing a certain way, or expressing themselves (ourselves) online. The way we dress is never an invitation for disrespect. Hindi babae, hindi ang aming kasuotan, ang dapat pinapabago para itrato nang maayos. Ang pagiisip po ninyo sana ang ayusin.

READ: The developer of the game GoreBox, F2 Game... more

STATEMENT OF FELIX FILIP, FOUNDER OF F2 GAMES, DEVELOPER OF GOREBOX, SENT IN AN EMAIL TO THE INQUIRER

I'm heartbroken by what happened in Tacloban. My thoughts are with the families who lost their children, with everyone who was injured, and with the entire San Jose National High School community. A loss like this is devastating.

GoreBox is made for an adult audience. It isn't designed or rated for players under 18, and it's distributed through Steam and Google Play under their age-rating and parental-control systems. I've also built a recurring reminder into the game itself: the first time it's opened, and every tenth launch after that, players see a message stating that GoreBox is intended solely for fictional entertainment, that it does not promote or glorify real-world violence and is not a guide for real-life behavior, and that anyone struggling with violent thoughts or emotional distress should seek help. I included that because I take the nature of this content seriously.

No developer can verify the age of every person who downloads a game, which is exactly why platform age-gates and parental controls exist, and I'll support any reasonable effort to make those safeguards work better.

When children have been harmed, I understand authorities wanting to act cautiously, and they have my full cooperation. I don't think it's my place to speculate about the causes of this tragedy while the investigation is ongoing. I'd only ask that it be allowed to run its course and establish the facts. I'll continue to cooperate with any legitimate request from the Philippine authorities as they do.

EVERY WOMAN IS WORTHY OF BEING RESPECTED, BUT NOT EVERY ACTION: A Charitable Response to LANS on the Topic of Modesty

By: Admin Chris Alphonsus

Recently, a social media influencer and a vlogger named Lans became viral for sharing educational content and daily inspiration. Many people admired her and preferred her unique approach in contrast to others who may gain followers without practicing modesty. At the same time, these comments, despite being positive, disturbed Lans, which caused her to make a Facebook post about it, particularly with the comment, “Gayahin nyo si LANS, karespe-respeto” [1]. Meanwhile, our Facebook post has the intention of showing common points of agreement and some areas where we may disagree.

Lans mentioned that even she experienced being disrespected by some men, and that it’s wrong to tear down, bash, or compare others under the guise of complimenting her. We wholeheartedly agree that objectification of women, and even of men, is objectively wrong and sinful. There is no excuse for this disrespectful act. At the same time, she added,

“Women do not have to fit one image to deserve respect. Hindi kailangang educational creator ka, mahinhin, conservative, o tahimik para masabing “worthy” kang respetuhin. A woman can be confident, expressive, feminine, strong, matalino, creative, o simply comfortable being herself by posting photos, dressing a certain way, or expressing themselves (ourselves) online [1].“

Likewise, we recognize that true charity demands that every single woman, and in fact every person including those struggling with lust, should be treated with respect, whether they dress conservatively or not. However, it seems that for her, to respect someone already means to affirm the moral legitimacy of the action of the person being respected. This is where we draw the line. The document, Gaudium et Spes, by the Second Vatican Council states:

Jun 26, 2026 14:43:51

“Respect and love ought to be extended also to those who think or act differently than we do in social, political and even religious matters (...) But it is necessary to distinguish between error, which always merits repudiation, and the person in error, who never loses the dignity of being a person even when he is flawed by false or inadequate religious notions [2].”

As clarified by Second Vatican Council, there is a difference between respect for persons and for actions. Every person deserves respect because of their dignity as created in the image and likeness of God and good actions, which are for the glory of God, are worthy of being respected. However, errors always merit repudiation. We cannot respect actions that are against moral truth and God’s will, even if done freely, with good intention, or as a form of expression. In the recent document, Magnifica Humanitas, Pope Leo XIV emphasized a similar point by differentiating “ontological dignity” and “moral dignity.” Pope Leo XIV said,

Jun 26, 2026 14:43:57

“52. When we speak of dignity, we do not always use the word in the same way. Sometimes we refer to moral dignity, namely the way in which a person directs his or her choices and actions (...) These aspects of dignity can be enhanced or diminished. In addition to these notions, there is also the more profound and important level of ontological dignity. This is the dignity that belongs to every human being simply by virtue of existing, of having been willed, created and loved by God. No sin, failure, humiliation or exclusion can diminish the profound value of a human life that God has willed and called into being [3].”

Ontological dignity can never be lost in every human being, which involves every woman, while moral dignity can be enhanced or diminished. It’s because moral dignity pertains to the way the person directs his or her actions in life whether it’s towards good and God or not. We must remain clear that while the person is always worthy of respect, their actions are not automatically entitled to the same validation. Although we are strictly bound to respect and defend the person from harassment and objectification, we are under no obligation to praise or validate behaviors that contradict moral truth. Going back to Lans, she ended her Facebook post by saying,

“Hindi babae, hindi ang aming kasuotan, ang dapat pinapabago para itrato nang maayos. Ang pagiisip po ninyo sana ang ayusin [1].”

Unfortunately, addressing this issue is not an either-or scenario where either the woman must change her clothing style or that men should change their minds. It’s a both-and scenario that is rooted in the love of God. The call to modesty is simply an application of the greatest command, to love God with all our heart, soul, mind, and strength (Mark 12:30). Contrary to the suggestion by the caption, to invite every woman and man to practice modesty is to recognize their intrinsic dignity. As taught by the Catechism of the Catholic Church,

“2523 There is a modesty of the feelings as well as of the body. It protests, for example, against the voyeuristic explorations of the human body in certain advertisements, or against the solicitations of certain media that go too far in the exhibition of intimate things. Modesty inspires a way of life which makes it possible to resist the allurements of fashion and the pressures of prevailing ideologies.

2524 The forms taken by modesty vary from one culture to another. Everywhere, however, modesty exists as an intuition of the spiritual dignity proper to man. It is born with the awakening consciousness of being a subject. Teaching modesty to children and adolescents means awakening in them respect for the human person [4].”

Moreover, even our Lord Jesus does not utilize this either-or reasoning. Rather, He uses a both-and approach where He addressed the problem of lust and of intentionally bringing temptations to people.

Matthew 5:27-28
“You have heard that it was said, ‘You shall not commit adultery.’ But I say to you that every one who looks at a woman lustfully has already committed adultery with her in his heart.

Jun 26, 2026 14:44:02

Matthew 18:5-7

woman lustfully has already committed adultery with her in his heart.

Matthew 18:5-7
“Whoever receives one such child in my name receives me; but whoever causes one of these little ones who believe in me to sin, it would be better for him to have a great millstone fastened round his neck and to be drowned in the depth of the sea.
“Woe to the world for temptations to sin! For it is necessary that temptations come, but woe to the man by whom the temptation comes!

True humility involves a willingness to listen to constructive and charitable comments which are ordered for the glory of God and the good of the person listening. True worth is not found in seeking validation through clothing (or lack thereof), but in recognizing God’s love that brings us to Himself by His Truth. Once we recognize that our value is not based on validation but in God’s love, then being an influencer is no longer about being self-seeking but in becoming self-giving. True empowerment is found in transformation of both inward purity and outward modesty for His greater glory.

May God Bless us all with self-reflection, Keep Safe!

LOVELY GRANADA, SINABING NAKAIMPLUWENSIYA ANG KANYANG MGA CONTENT SA PANANAW NG ILANG NETIZENS

Nagbahagi ng pananaw ang social media personality na si Lovely Granada tungkol sa epekto ng kanyang mga content sa mga usaping pampulitika na kanyang tinatalakay online.

Ayon kay Granada, naniniwala siyang may mga dating tagasuporta ng Duterte na nagbago ng pananaw matapos mapanood ang kanyang mga video at komentaryo sa social media.

“Marami ang hindi na DDS dahil sa aking mga content,” pahayag ni Granada.

Kasunod ng kanyang pahayag, umani ito ng magkakaibang reaksiyon mula sa mga netizen. May mga sumang-ayon at nagsabing nakatutulong ang kanyang content sa pagbibigay ng iba't ibang perspektibo sa mga isyung pampubliko. Samantala, mayroon ding nagsabing ang pagbabago ng pananaw ng isang tao ay nakadepende sa maraming salik at hindi lamang sa nilalaman ng mga napapanood sa social media.

Patuloy na nagiging mahalagang bahagi ng political discourse sa bansa ang papel ng social media, kung saan iba't ibang content creators ang nagbabahagi ng kani-kanilang opinyon at pagsusuri sa mga napapanahong isyu.

"SOMEONE, SOMEDAY" COMING SOON ON ALLTV2, TV5, A2Z, AND KAPAMILYA CHANNEL

26 June 2026

ABS-CBN has unveiled the special poster and teaser for its highly anticipated series "Someone, Someday" that is coming soon on ALLTV2, TV5, A2Z, Kapamilya Channel, Kapamilya Online Live on YouTube and Facebook, iWant, TFC, and streaming first on Netflix.

The special poster spotlights Asia's Superstar Kathryn Bernardo ahead of the series' upcoming premiere.

More viewers will be able to enjoy the primetime drama, a modern, feel-good and progressive series with a heart, as it becomes available on multiple platforms. The project marks the teleserye comeback of Kathryn, James Reid, and Maja Salvador in an exciting story about a young woman CEO who builds a dating app to help women find love.

To celebrate the upcoming premiere, the cast of "Someone, Someday" will join the Primetime Bida motorcade alongside the stars of "Coco Martin's Sigabo" on June 28 (Sunday) at 4 PM in San Fernando, Pampanga. Leading the cast are Kathryn, James, McCoy De Leon, Gela Atayde, Matt Evans, and more.

As viewing habits continue to evolve, media companies continue to work together to bring more local programs to more audiences. Following the recent launch of "Coco Martin's Sigabo," more viewers will soon also be able to watch "Someone, Someday" on more platforms.

1972 SAN BEDA SHOOTING INCIDENT

A documentary-style summary based on Duterte's later public remarks and reported accounts

In 1972, while studying at San Beda College of Law in Manila, Rodrigo Duterte later said he shot fellow law student and Lex Talionis fraternity brother Octavio Goco inside a campus corridor. Goco survived the incident. Later accounts said the two reconciled and remained friends until Goco's death. The episode also reportedly led to Duterte being barred from marching at graduation, although he was later allowed to take the bar exams.

TIMELINE / KEY FACTS

1. **1972:** Incident at San Beda College of Law
2. **Victim:** Octavio Goco
3. **Outcome:** Goco survived

'HINDI NILA MAAALIS SA PWESTO'

Nagpahayag si Atty. Harry Roque ng kumpiyansa na hindi umano magtatagumpay ang impeachment case laban kay Vice President Sara Duterte.

Ayon kay Roque, naniniwala siyang mananatili sa puwesto si Duterte at hindi ito mapapatawan ng perpetual disqualification from public office, kaya't nakikita pa rin niyang may landas ito patungo sa pagkapangulo.

"Tatay Digong, huwag po kayong mag-alala dahil magiging Presidente si Inday Sara Duterte," ani Roque.

Iginiit din ni Roque na wala umanong sinumang posibleng katunggali na may makatotohanang tsansa na talunin si Duterte sa halalan.

"Hindi nila maaalis sa pwesto. Hindi nila mapapatawan ng perpetual disqualification of public office at wala pong kahit sinong nagbabalak na labanan siya na merong possibility o kahit anong chance na manalo laban sa kanya," dagdag niya.

Kasalukuyang namamalagi sa ibang bansa ngayon si Roque dahil sa mga kasong [illegible] Pilipinas.

#LATEST: Iloilo Governor Arthur Defensor Jr. met with Colonel Ricardo Ray Garcia of the Philippine Air Force (PAF) at the Capitol to discuss building a new technology hub for the province.

The proposed center will train Ilonggos in modern skills like artificial intelligence (AI), drone technology, and 3D printing to help them prepare for future jobs.

Defensor said the facility will also allow the province to team up with institutions for tech projects that can help improve local disaster response, boost public safety, and support community growth.| via Pia E. Maleriado, WVSU-COC intern/**#IMTNEWS**

MAY BAON NA BARIL AT PATALIM?

Hinuli ng mga tauhan ng Provincial Mobile Force ang tatlong estudyanteng nagku-cutting mula sa Appari School of Arts and Trade sa Cagayan.

Nang inspeksyunin ang bag ng mga estudyante, isa sa kanila ang nahulihan ng revolver na baril habang ang kasama niya ay nakunan umano ng patalim.

Mariing itinanggi ng mga estudyante na sa kanila ang mga nakuhang armas. Hawak na sila ng Cagayan police para sa imbestigasyon.

MENSAHE NG GAME DEVELOPER NG GOREBOX SA IMBISTASYON NA DUMALO SA COMMITTEE HEARING NG WOMEN AND CHILDREN

Before anything else, I want to express my sincere condolences to the families of the victims, to the students and staff of San Jose National High School, and to the wider community in Tacloban City. What happened on 22 June is a profound tragedy, and those affected by it deserve to be at the centre of this matter.

I am an independent game developer based in Germany. After careful consideration, I must respectfully decline the invitation to appear at the hearing on 1 July 2026, whether in person or via Zoom.

I would respectfully note only, for the Committee's record, that GoreBox is classified 18+ and is not intended for, or directed at, minors.

I appreciate the Committee's attention to the safety of young people, and I am grateful for your understanding of my decision.

Statement on the Sicogon Island Incident

I am deeply concerned by the reported incident that transpired in Sicogon Island, Carles, involving allegations of the use of firearms, threats, and acts that reportedly endangered the safety of residents, workers, and other individuals present in the area.

If these reports are established through proper investigation, such actions have no place in a peaceful and law-abiding community. The rule of law must always prevail over intimidation, violence, or the misuse of firearms.

I commend the Philippine National Police, under the leadership of PRO-6 Regional Director PBGen. Randulf Tuaño, together with the Mobile Police Force, Carles Municipal Police Station and all law enforcement personnel involved to include Municipal and Bgy Officials for their prompt response to ensure public safety and prevent the situation from escalating further.

At the same time, I emphasize that every person is entitled to due process. The facts must be established through a fair, impartial, and thorough investigation, and the appropriate charges should be resolved by our courts in accordance with the law.

Sicogon Island is one of the pride and premier tourism destinations of the Fifth District of Iloilo. It is important that peace and order be maintained at all times so that residents, investors, workers, and tourists will continue to have confidence in the island as a safe and welcoming destination.

I also call on all parties involved in the ongoing property disputes to pursue legal and peaceful means in asserting their respective rights. Violence, threats, and intimidation should never be the means of resolving any disagreement.

My office will continue to support initiatives that strengthen peace and order, protect the rights of our constituents, and promote a secure environment conducive to tourism, investment, and sustainable development in Carles and throughout the Fifth District of Iloilo.

Thank you - kasama sina **Raul Boboy Tupas** at ang **42 (na) iba pa**.

STATEMENT OF FELIX FILIP, FOUNDER OF F2GAMES AND DEVELOPER OF GOREBOX ON DECLINING TO APPEAR BEFORE THE SENATE
As a developer based in Germany, I respectfully declined the invitation to appear at the Senate hearing. That is separate from the investigation itself, which I intend to cooperate with. I want the facts of this established as much as anyone does, and I'll help the Philippine authorities in every way I lawfully can. I've been in contact with them, and I'd only ask that the investigation be allowed to run its course. Out of respect for the families, I won't speculate about its causes while it's ongoing.

It isn't designed, rated, or directed at players under 18, and it's distributed through Steam and Google Play under their age-rating and parental-control systems. On the more detailed questions about safeguards and content, I'm engaging directly with the relevant authorities through the proper channels, so I'd rather not characterize those specifics in the press while that's underway.

REP. CO NATUKLASAN UMANO NA MAY EPEKTO ANG PALAMURANG PRESIDENTE SA MGA KABATAAN

Ipinunto ni Kabataan Party-list Rep. Renee Co na maaaring makaapekto sa pag-uugali ng mga kabataan ang asal na ipinapakita ng mga lider, kabilang ang paggamit ng pagmumura at iba pang mararahas na pananalita sa publiko.

Ayon kay Co, isa sa mga dapat pagtuunan ng pansin ay ang uri ng ehemplong nakikita at naririnig ng mga kabataan mula sa mga taong may mataas na posisyon sa pamahalaan.

Aniya, mahalagang maipakita ng mga opisyal ang pananagutan at wastong asal dahil maaari itong makaimpluwensya sa paghubog ng pag-uugali ng nakababatang henerasyon.

Sinabi ito ni Co sa gitna ng talakayan tungkol sa mga salik na maaaring nag-aambag sa pagdami ng mga insidenteng kinasasangkutan ng mga menor de edad.

Iginiit niyang hindi dapat maging normal ang paggamit ng marahas na pananalita at iba pang asal na maaaring tularan ng mga kabataan.

Binigyang-diin ng mambabatas na mahalagang pairalin ang accountability at responsableng pamumuno upang maging positibong halimbawa sa publiko, lalo na sa mga kabataan.

ANG SIMULA NG "GATASAN"
• Lumobo ang pondo para sa flood control sa ilalim ng "Build, Build, Build."

BILYON-BILYONG PISO ANG INILAAN, PERO BAKIT PATULOY ANG PAGBAHA?

Mula sa paglobo ng flood control funds noong 2016, sa pagbulgar ng umano'y ₱332-bilyong anomalya noong 2019, hanggang sa pagtatapos ng termino ng administrasyong Duterte na walang napapanagot—ito ang kwento ng tinatawag na Flood Control Trail.

Sa kabila ng napakalaking pondong inilaan sa mga proyekto, nananatiling tanong ng publiko: nasaan ang resulta? Nasaan ang pananagutan?

Balikan ang timeline ng isa sa pinakamalalaking kontrobersiya sa pampublikong paggasta at alamin kung paano umabot sa puntong ito ang usapin ng flood control sa bansa.

IN THE MATTER OF:

THE IMPEACHMENT OF VICE PRESIDENT SARA ZIMMERMAN DUTERTE

Case No. 004-2026

ANSWER

Respondent Vice President **SARA ZIMMERMAN DUTERTE**, through counsel, states:

1. The Articles of Impeachment[1] are void because:

a. The proceedings in the Committee on Justice are tainted with manifest partiality and evident bad faith indicative of prejudgment. The opening speeches of its Chairperson and its members' declarations that they already possess enough "evidence" or "votes" to impeach the respondent[2] even before the conclusion of their *mini-trial* demonstrate that the resulting alleged finding of probable cause was a foregone conclusion;

b. The Articles are the product of an unconstitutional usurpation of power that neither belongs to the House of Representatives[3] nor its Committee on Justice. This procedural artifice of conducting a mini-trial where the apparent intent was to trawl for evidence against the respondent and interpreting them to systematically impugn her reputation before the general public, is a direct affront to the

c. The Articles violate the doctrinal ruling in Duterte v. House of Representatives[5] requiring that "the basis of any charge must be for impeachable acts or omissions committed in relation to their office and during the current term of the impeachable officer."[6] Here, the Articles include purported acts or omissions that were outside her present term as Vice President and supposedly committed during her tenure as Mayor and Vice Mayor of Davao City, which are non-impeachable offices;

Death Threats Are Not Free Speech
3.1 Flash-Lite

Is making death threat a freedom of expression?

Google Search

No, making a death threat is generally **not protected** as freedom of expression.

In both the United States and the Philippines, the law distinguishes between protected speech (such as political opinion, hyperbole, or criticism) and "true threats," which are subject to criminal prosecution.

Why Death Threats Are Not Protected

- **"True Threats" Exception:** Courts have long recognized that certain categories of speech are too dangerous to be protected. A "true threat" is defined as a serious expression of an intent to commit an act of unlawful violence toward a particular individual or group. The goal of this restriction is to protect individuals from the fear of violence and the disruption that such fear creates. +2
- **Intent vs. Hyperbole:** Legal systems differentiate between genuine threats and statements made in

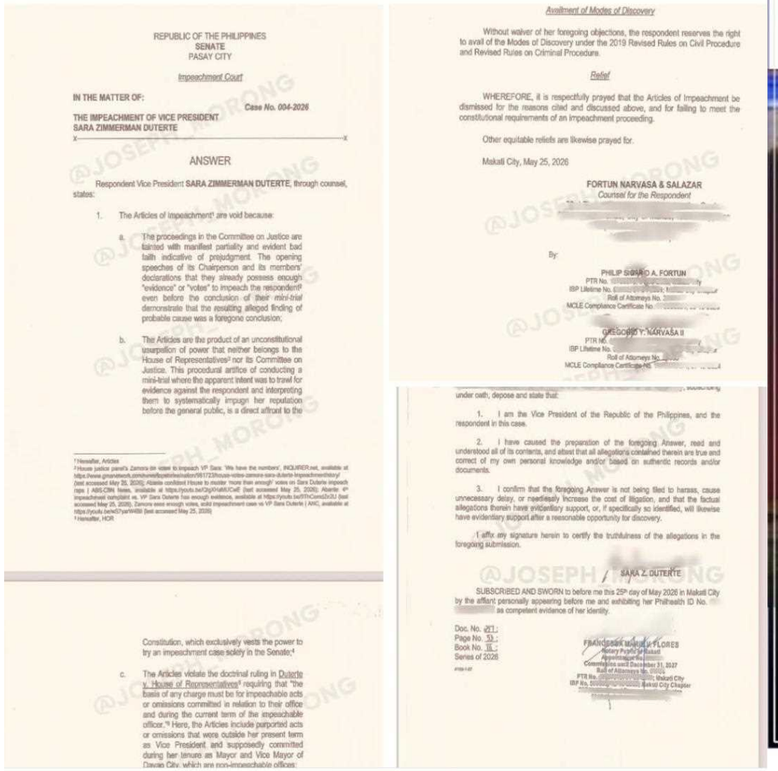
"Freedom of expression", Vice President Sara Durterte says of assassination threat against President Marcos, First Lady Liza Marcos and former House Speaker Martin Romualdez @gmanews @24orasgma



REPUBLIC OF THE PHILIPPINES

PASAY CITY

Impeachment Court

IN THE MATTER OF:

THE IMPEACHMENT OF VICE PRESIDENT SARA ZIMMERMAN DUTERTE — Case No. 004-2026

ANSWER

Respondent Vice President **SARA ZIMMERMAN DUTERTE**, through counsel, states:

1. The Articles of Impeachment[1] are void because:

a. The proceedings in the Committee on Justice are tainted with manifest partiality and evident bad faith indicative of prejudgment. The opening speeches of its Chairperson and its members' declarations that they already possess enough "evidence" or "votes" to impeach the respondent[2] even before the conclusion of their *mini-trial* demonstrate that the predating alleged finding of probable cause was a foregone conclusion;

b. The Articles are the product of an unconstitutional usurpation of power that neither belongs to the House of Representatives[3] nor its Committee on Justice. This procedural artifice of conducting a mini-trial where the apparent intent was to trawl for evidence against the respondent and interpreting them to systematically impugn her reputation before the general public, is a direct affront to the

Availment of Modes of Discovery

Without waiver of her foregoing objections, the respondent reserves the right to avail of the Modes of Discovery under the 2019 Revised Rules on Civil Procedure and Revised Rules on Criminal Procedure.

Relief

WHEREFORE, it is respectfully prayed that the Articles of Impeachment be dismissed for the reasons cited and discussed above, and for failing to meet the constitutional requirements of an impeachment proceeding.

Other equitable reliefs are likewise prayed for.
